- Completion of the qualification combined with suitable experience provides the opportunity to become a WHS Co-ordinator/supervisor/manager
- Eligibility for a membership with Professional Associations, such as The Australian Institute of Health & Safety

What Qualification will I Gain...

After completion of the 12 month program, you will gain your:
BSB51319 Diploma of Work Health and Safety

Here's what one of our students thinks...

"The competency I completed was a requirement of my position as a SSE and will further enhance my knowledge of safety aspects in the work place.

The friendly GTI staff were very helpful and I would definitely recommend the course to others. It was a simple, easy to understand format and I had no problems understanding the content."

How is this program delivered?

A very simple process that most find interesting, and rewarding.

1-1 Training Program:

- Online access 24/7 to everything you need – course materials, assessments, resource libraries…
- No Exams. No Essays. No college or workshop attendance required
- Complete your assessments based on projects in your current role.
- Monthly Phone appointments with your Trainer – to understand the assessment requirements, determine what evidence you already have and what is needed to complete for each unit, discuss the topic…
- Regular Tutorials via Zoom available to get all your questions answered as needed
- Regular phone sessions with your Completion Coach/Tutor – to help you through the units, sort out any issues, keep you on-track…
- Complete all units over the 12 month period
- Qualification awarded + online graduation celebration

How much time will this course take?

The course runs over 12 months.
Your qualification will be issued after 12 months, when all the units have been completed.

Your assessments may take around 4 hours per week, or perhaps less if you have experience.

As they are work-based projects, you may be able to get some of it done during your work hours. If you have experience, this may be a hunting and gathering exercise for you and then just answer the questions based on your work.
